"Acid Mound" Results in Tooth Decay

And have you "acid mouth," you ask? Unless you're one of five out of one hundred. Why? Because authorities find that 95% of us have this acid result of fermenting food particles.

Pebeco Tooth Paste

overcomes "acid mouth." It counteracts its attacks on the thin, precious enamel of the teeth. It is a great help to you in preserving this intact, and so preserves the soft, inside tooth-substance from the bacteria of decay.

Pebeco doesn't stop at toothsaving. It's just as good at cleansing, whitening and restoring the naturally brilliant, lustrous surface that all wellkept teeth ought to have. Try it.

peopls, the list of stockholders numbering alightly over \$6. The stock has been subscribed for at \$130 a share, this arrangement giving the bank a surplus of \$10,000 with which to start business.

Practically all of the subscriptions in Danielson were made during Saturday and persons who had thought to be included in the list were surprised Monday to find that the proposed issue had been over subscribed. It is expected that the organization of the new bank, in addition to the list of incorporators named last week, will be announced as soon after a charter is secured as is convenient.

Several months will be required to equip quarters for the new institution, but indications are that it will be ready to do business some time this fail. Quarters to be used for the trust company were leased last month.

TOWN COURT CASES.

Five to Dispose of After Sunday-

Three of These for Intoxication.

Chief George M. Pilling had a full house, or a flush, or something like that Monday morning at the police station when Judge Harry E. Back and Prosecuting Attorney Arthur G. Bill came into the building to hold a clean-up session of the town court Five prisoners, an over-Sunday collection, were awaiting review by the tribunal. The prisoners had in three instances become incarcerated for having been intoxicated, in two other instances because they wanted a night's lodging, something that the town of Killingly is not in the habit of providing to wayfarers on account of the expense attached.

Ralph Belden, who said his home was in Cottage street, was given 30 days in jail on an intoxication charge and ordered to pay costs of prosecution, amounting to \$13.74. Chauncey Parkhurst for the same offense received a like sentence and costs. Albert Anderson, who said he had been working in Canterbury, received 30 days for intoxication. Saturday night, just before he was arrested, he received a clip that opened up his chin Three of These for Intoxication.

days for intoxication. Saturday night, just before he was arrested, he received a clip that opened up his chin because he intruded himself rather promiscuously at the Hutchins street plant of the Danielson and Plainfield Gas and Electric company. The maxillary greeting that he received was not handed out with a velvet glove, either not handed out with a velvet glove, either. Jimmie Ward, who had been locked

up at his own request during the early hours of Sunday morning because he could not get into his boarding place and did not want to sleep out of doors, was given his freedom. Jimmle is a member of a theatrical company. John McManus who said his home to in member of a theatrical company. John McManus, who said his home is in Attleboro, started right out to walk to the town of near-jewelry as soon as he was released from court. He told Judge Back that he drifted into this section while on a hunt for work and that he would go home and stay away from Killingly if given the chance. He got it. McManus had not been drinking when arrested, but wanted to be locked up that he might have a

AT BRADLEY THEATRE. Loftus Stock Company Opens Engage

At the Bradley theater Monday afternoon the Loftus Stock company, with Frank Mayo, formerly with the Whiteside-Strauss company, at its head, presented the White Nigger, a play new to Putnam playgoers.

A company of unusual merit, stage settings that are bread recovered.

A company of unusual merit, stage settings that are brand new and on a very elaborate scale helped to make the opening very successful; but the feature that appealed to the audience as especially pleasing was the music by the ladies' orchestra of six pieces. The orchestra in a degree replaces the vaudeville, but not wholly that is seen with most shows of the Loftus company class and in this case proves one of the happiest little replacement schemes that has been figured out by a management for a long time. The orchestra made a great big hit.
